

DIRECTOR OF TECHNOLOGY

School Administrative Unit 50
Greenland, New Hampshire

Job Details

Job ID: 3047368

Application Deadline: February 25, 2019

Posted : January 28, 2019

Starting Date: July 1, 2019

Job Description

The Superintendent of School Administrative Unit 50 invites highly qualified candidates to apply for the position of Director of Technology.

School Administrative Unit 50 is located in southeastern New Hampshire and includes the Greenland, Newington, New Castle, and Rye School Districts. Each school district has its own elected school board. The educational and operational components for each district are administered by the SAU 50 Office located in Greenland, NH.

The Director of Technology will report to the Superintendent of Schools and serve as a key member of the central office administrative team. The Director of Technology will be responsible for providing leadership, vision, and direction in planning and implementing the District's information systems technology programs and related operations.

The Director of Technology must hold a Master's Degree with emphasis on Information Systems Technology or a related field and a minimum five years Information Technology leadership experience with proven success in managing resources and services. The candidate must have a valid state certificate to practice or be certifiable as a Director of Technology. The salary for this position is highly competitive, commensurate with qualifications and experience, and established by the SAU 50 Joint School Board. The term of employment is twelve months as designated in writing by the Superintendent of Schools.

All application materials must be submitted through School Spring. For a complete job description and search timeline, please contact Samantha Fuller at sfuller@sau50.org
