

STUDENT RELEASE BEFORE THE END OF THE SCHOOL DAY

Students shall not leave the school grounds from the time they arrive until the regularly scheduled school dismissal, except as follows:

- a. granted dismissal by building administrator with written permission of the parent(s) or guardian(s);
- b. students traveling to school sponsored activities and who will then return to school.
- c. dismissal before the regular school day ends as directed by the superintendent of schools (e.g. emergency closing).

In case of student illness, parent(s)/guardian(s) will be contacted with the student remaining at school until arrangements are made for the release of the student.

Any student being released during the school day must be released through the school office.
