

AVAILABILITY AND DISTRIBUTION OF HEALTHY FOODS

The school district will support the availability and distribution of healthy foods and beverages in all school buildings during the school day.

The superintendent or designee is responsible for ensuring that all foods and beverages provided by the district meet nutritional standards established by state and federal law relative to: (1) nutrient density; (2) portion size; and (3) nutrition targets, as defined in pertinent law.

The superintendent or designee is responsible for implementing developmentally appropriate opportunities to learn food preparation skills that support nationally recognized research-based nutrition standards. The superintendent or designee is responsible for providing annual communication/information about the policy and procedure and related curricula to the school community.
