

**PROFESSIONAL STAFF ASSIGNMENTS AND TRANSFERS**

The assignment and/or transfer of all instructional personnel will be upon the approval of the school board following the recommendation of the building administrator in conjunction with the superintendent of schools. All requests for assignment and/or transfer will be brought before the school board. No personal consideration will have an effect on the assignment and/or transfer.

Any opposition to an assignment or transfer will be reviewed by the school board and the ruling of the school board will be final.
