

RE-ELECTION OF PROFESSIONAL STAFF

By the school board meeting in March, the board members will receive, in writing, a complete list of all staff members who are to be nominated by the superintendent and elected by the school board. The written list will contain the following:

- a) name, assignment, years of experience in the school district, and salary;
- b) percentage of contract to be worked, and job sharing if pertinent;
- c) change(s) in grade of duty assignment;
- d) individuals either on or being placed on an improvement plan, with a written narrative as to the progress of the professional staff member from the building administrator and superintendent of schools. This written narrative also will include end date of the improvement plan and desired outcomes.

Prior to April 15, the superintendent, at a duly warned school board meeting, will place the names of all teaching staff into nomination as previously stated. The school board will review the names in nomination and elect or not elect for continued employment.
