

PUBLIC SOLICITATIONS IN THE SCHOOLS

As a general policy, there will be no solicitation within the schools for any purpose whatsoever. No commercial enterprise may be represented in the schools and there will be no sale of goods or services on the premises.

Any request for the exception to this rule must be submitted in writing to the school board at least 30 days prior to the requested activity.

The Building Administrator reserves the right to grant exceptions. Examples of possible exceptions include the following:

- a. An activity conducted for the purpose of raising funds for a worthwhile service to the school.
- b. Fundraising by the school parent organization.
- c. Sale of service, such as music lessons.

The foregoing policy is for the purpose of ensuring maximum instruction time for the teacher and in no way reflects a negative attitude toward many of the very worthwhile civic and charitable activities sponsored within the community, either on a strictly local basis or as part of the a regional, state, or national activity.

The above does not apply when buildings are rented by an organization.
