TOWN OF RYE

MOSQUITO SPRAYING

Monday, September 6, 2010

Spraying to control adult mosquitoes will occur on **Monday, September 6, 2010** from 5:30 PM to 8:30 PM. Spraying will take place at the **Rye Junior High School, the Elementary School, and the Recreation Area**. The insecticides, Zenivex E20 (entofenprox 20%) and CrossCheck Plus (bifenthrin 7.9%) will be used to control adult mosquitoes. Dragon Mosquito Control, Inc. of North Hampton will be the applicator. Residents may call 964-8400 for further information regarding spray dates, times, locations, insecticides, precautions, EEE and other concerns.
